

I AM SUCCESSFUL BECAUSE...

By Sean Key

Mary Kay Cosmetics National Sales Development Director

I am successful because...

I have found the life that I love & I have been courageous enough to live it.

I am successful because...

I have the will to win & I have the will to be an active participant in the victory.

I am successful because...

I have the ability to produce outwardly all of the talents and gifts that I possess inwardly.

I am successful because...

I live the life I want and I want the life that I live.

I am successful because...

I know the rules of the game and I'm willing to play better than everyone else.

I am successful because...

I surround myself with success conscious people.

I am successful because...

I recognize the opportunities that exist in every obstacle.

I am successful because...

I am willing to pay more for what I want than I have paid for what I have.

I am successful because...

I know that God gives me the ingredients for my daily bread, but He expects me to do the baking.

I am successful because...

I realize that I cannot change where I'm from, but I can change where I'm going.

I am successful because...

I know the people who are speaking into my life will determine what I speak into the lives of others.

I am successful because...

I'm easy to start and hard to stop.

I am successful because...

I give people more than they expect and I do it cheerfully.

I am successful because...

I am serving my purpose and not my problem.

I am successful because...

When I think of others, I forget about myself and that's when I do my best work.

I am successful because...

My 16 x 20 size goal is backed by a 16 x 20 size mind set.

I am successful because...

Everyday I live a life of excellence.

I am successful because...

I do more than I have to and I care more than I'm supposed to.

I am successful because...

I know who I am, I know who God is and I know what the 2 of us can do together.
